## HOW TO GET TO THE MARRA TOWER

### **1 From Las Vegas Blvd. Entrance/Casino Floor**

- Walk southeast through the main casino, past CASBAR Lounge towards Uno Mas. Go left down the ramp and keep going straight until you reach the hotel lobby. The Marra Tower elevators are located right across the front desk. Don't forget to use the digital key on your phone to activate the elevators!

### **2 From Paradise Entrance**

- Walk through the glass doors off the Paradise Road entrance. Once you walk in, the hotel lobby will be to your right and the Bell Desk to your left. The Marra Tower elevators are located right across the front desk. Don't forget to use the digital key on your phone to activate the elevator!

### **3 From Blanca Tower Entrance**

- At the Blanca Tower Entrance, as you come from the west garage, walk through the glass doors towards Starbucks. Make a right at Starbucks and keep going straight until you reach the hotel lobby. The Marra Tower elevators are located right across the front desk. Don't forget to use the digital key on your phone to activate the elevator!

### **4 From Alexandria Tower Entrance**

- Walk through the glass doors and head south past Paradise Lounge until you reach The Tangier (across from the hotel lounge). Make a left and keep going straight until you reach the hotel lobby. The Marra Tower elevators are located right across the front desk. Don't forget to use the digital key on your phone to activate the elevator!

### **5 From Monorail entrance**

- Once you disembark at the SAHARA Monorail stop, enter SAHARA through the glass doors and make a left and another left at The Tangier (across from the hotel lounge). Keep going straight until you reach the hotel lobby. The Marra Tower elevators are located right across the front desk. Don't forget to use the digital key on your phone to activate the elevator!
