ODE TO THE BEACHCOMBER

CAPTAIN MORGAN SPICED RUM, CROWN ROYAL REGAL APPLE, ORGEAT SYRUP, PINEAPPLE PUREE, LIME JUICE, ANGSTURA BITTERS

This fun, summer drink originated from Donn Beach, the "founding father" of tiki culture. The drink is named after Donn's original tiki bar and restaurant, Don the Beachcomber. In 1963, the original Sahara opened its own Don the Beachcomber branch, which served customers for years to come. This drink is an ode to Donn Beach's namesake cocktail, with a modernized, iconic SAHARA twist!

SPEED THE RIDE

TITO'S HANDMADE VODKA, PEACH PUREE, LIME JUICE, RED BULL TROPICAL

Speed - The Ride was a NASCAR-themed roller coaster that was located at the original Sahara, as part of the NASCAR Café addition. Riders were treated to an exhilarating adrenaline rush as they zoomed past the Las Vegas Strip, culminating into a 360-degree loop. This energy drink-infused cocktail aims to give its drinkers that same energetic feeling that roller coaster riders had as they plunged from the top of the ride.

THE SINFINITY

MILAGRO SILVER TEQUILA, YELLOW CHARTREUSE, APEROL, LIME JUICE, MS. BETTERS BITTERS FOAMER

This stunning modern classic drink is perfectly balanced with hints of smoky, citrus, bitter and sweet tastes. Just like the cocktail it's based on, SAHARA Las Vegas is a modern property that alludes to its past and has a retro flair. The name "Sinfinity" comes from a combination of "Sin City" and the SAHARA Infinity logo emblazoned on the top of this drink.
